

RETRO-FINISH PANELS

Whiteboard Resurfacing Product

RETRO-FINISH PANELS

- Retro-Finish Panels make short work of resurfacing any old chalkboard or markerboard.
- No need to remove the existing board. Simply drill the Retro-Finish Panel directly into the old board. Factory framed panels come with pre-drilled holes to make mounting easy.
- Surface is durable porcelain steel for a superior dry erase surface. Standard gloss porcelain provides superior writability and erasability with no ghosting. Reduced surface light distortion enhances visibility to provide optimum eye comfort.
- Available with a matte gray projection surface. Reduces glare by 60% for enhanced image sharpness and clarity. Requires weekly cleaning with a damp cloth for optimum performance. A small amount of marker ghosting may occur. For a board to be used primarily as a writing surface, please choose off-white.
- Custom sizes available. Made in the USA. Fifty year limited warranty.

Part No.	Dimensions	Ship Wt.
Off White		
2R2AD	4'H x 4'W	48 lbs
